FOR IMMEDIATE RELEASE

# Statement from RALIANCE on Supreme Court Justice Brett Kavanaugh

“We are alarmed to learn from this weekend’s *New York Times* [piece](#) that the Senate and FBI failed to fully investigate allegations made against Supreme Court Justice Kavanaugh. For survivors across the country, this is a painful reminder of the inequality and injustice in our institutions. We condemn this failure of ethical leadership and call for an immediate and thorough investigation of Justice Kavanaugh’s confirmation process.

“Nearly one year ago, Dr. Christine Blasey Ford and Deborah Ramirez shared their stories of sexual harassment, misconduct, and abuse with the world and brought much needed attention to the importance of supporting and believing survivors. We believed Ford and Ramirez then, and we believe them now. Survivors’ voices are powerful. RALIANCE is committed, now more than ever, in doubling down on the fight to hold offenders, institutions, and people in positions of power accountable.”
