

RALIANCE GRANT PROGRAM

January 1, 2024 - December 31, 2024

Frequently Asked Questions - Intent to Submit Phase

1. *What types of programs are you going to fund?*

We will be funding projects that are focused on prevention – either making organizations/systems/communities safer; or strategies to prevent first-time or repeat perpetration of sexual violence. See Guidelines document for additional information about the categories.

2. *Are there any other priorities?*

We will prioritize unique projects that are replicable or that contribute to the body of evidence related to sexual violence prevention. We are particularly interested in projects that prevent sexual violence in communities of color, indigenous communities, LGBTQ communities, or other traditionally under-resourced communities. We are also interested in prevention in sport organizations.

3. *Are you funding services to survivors of sexual violence?*

No, not in this round because funds are limited and there are other resources available to assist survivors. RALIANCE's role is to build capacity for prevention.

4. *How much money is available and what is the range of grant awards?*

RALIANCE has designated a total of \$300,000 at this time for grant awards. We will award a total of six (5) grants for \$50,000 each.

5. *What if we are not a 501 (c)3 nonprofit? Can we still apply?*

If your organization has another designated IRS status, other than 501(c) 3, then you are not eligible to apply. If you do not have an IRS designation and are able to obtain a fiscal sponsor to manage the funds, then that is an option. You would need to indicate that on the Intent to Submit form.

6. *What is the deadline for submission of the Letter of Intent? ?*

The Letter of Intent is due by 11:59 PM Eastern Time, Saturday, September 30, 2023.

7. *Are there any exceptions to the one-page limit for the Letter of Intent?*

No, only one page will be given to the reviewers. Anything else will be discarded. Please be succinct during this phase. If you are selected to submit a full application you will have the opportunity to expand at that time.

8. *What is the funding period for this grant cycle?*

January 1, 2024 to December 31, 2024

9. *When will we know if we are invited to submit a full proposal?*

Those notifications will be made by October 9, 2023.

10. *Can our project fund a portion of a project (for example, if \$25,000 would only be part of the overall project budget)?*

Yes, you would explain that in the proposal and would clearly outline the activities, deliverables, and costs that are relevant to this particular grant and briefly explain how it fits with the larger project.

11. *Where do we apply?*

A Letter of Intent should be emailed to grants@raliance.org.

12. *Our organization previously received a RALIANCE grant. May we reapply for future funding?*

Organizations may reapply for funding if it is for a new project.

*For additional questions, please contact grants@raliance.org.
This document will continue to be updated until the process closes.*
